The University of Maine is an EEO/AA employer, and does not discriminate on the grounds of race, color, religion, sex, sexual orientation, transgender status, gender expression, national origin, citizenship status, age, disability, genetic information or veteran's status in employment, education, and all other programs and activities. The following person has been designated to handle inquiries regarding non-discrimination policies: Sarah E. Harebo, Director of Equal Opportunity, 101 North Stevens Hall, University of Maine, Orono, ME 04469-5754, 207.581.1226, TTY 711 (Maine Relay System).

**World-Class
Biomedical Education
in Beautiful Maine**

GSBSE is a unique University of Maine graduate program in collaboration with research and academic institutions in Maine. These are the Jackson Laboratory, the MaineHealth Institute for Research, the Mount Desert Island Biological Laboratory, and the University of New England.

Students from across the nation and the globe are attracted to the innovative programs offered by GSBSE, including the Ph.D. in Biomedical Science, and the Ph.D. in Biomedical Engineering.

They gain invaluable knowledge and experience through cutting-edge research, guided by renowned faculty, in first-rate facilities.

Research focus areas include Molecular and Cellular Biology, Bioinformatics and Genomics, Toxicology, Neuroscience, and Biomedical Engineering.
